

# Reciprocal Clubs

---

Arlington Club offers reciprocal privileges with more than 75 clubs throughout the world, including Seattle, San Francisco, New York, London, Paris and Tasmania. Whether traveling for business or relaxation, these clubs offer a welcome respite from fast-paced city life, and many offer comfortable and reasonably priced overnight accommodations. The following steps allow you to access any of the clubs mentioned on our reciprocal page on this website:

Contact the reciprocal club you intend to visit and secure a reservation. Let them know that you will have a "letter of introduction" forwarded to them from Arlington Club.

Call or [email](#) Ahsan Mir to request a letter of introduction. Please mention the club you are planning to visit and the dates of your trip.

Check in at the reciprocal club you are visiting and let them know who you are. We recommend taking along a copy of the letter of introduction that Arlington Club sends you.

All of our reciprocal clubs require that visiting members settle accounts upon departure. Please check with the club you will be visiting to determine the type of credit cards they accept and whether they allow payment by traveler's check, cash or personal check. Members are not able to apply reciprocal club charges to their Arlington Club account.
